## DEAR CUSTOMERS:

We wish to thank each of you for the nice orders sent to use in 1960 and also the many nice letters of appreciation. We wish it were possible for us to write each of you a long personal letter thanking you for your business, to talk Iris and just visit. This is an impossibility, however, for if we did this we sure wouldn't have time to grow any Iris, those big rhizomes you appreciate getting. We will have to confine our writing to that which is absolutely necessary, and say in this little note that we do appreciate your business very much, and will do our best to give you good stock and good service, and please you in every way.

Our blooming season starts about May 1, depending on the weather, and we would like very much to have as many of you as can visit our gardens during the blooming season. We have nine acres of blooming plants, which is the largest planting in Idaho. Several thousand new seedlings to bloom this year as an added attraction. We are located at 614 Bryden Avenue, Lewiston Orchards. Phone SH 3-6309. Home address.

Please do come!

CARL and EVA

However, the 1961 established retail prices are printed in the column on the left side of each page. If you want your order shipped prepaid, remit the prices in that column. All orders ordered at the prices in the Wholesale columns are shipped transportation collect. Large orders are sent express; small orders C.O.D. postage. **Please do not send Postage** for your order. We will include extra Iris greater than the value of the C. O. D. fee. Please check with your P. O. and express agent as to which is cheaper on a given weight.
